Location Information FAQ

Why did you move?

We didn't, really. We've added a second location to serve you better. Thanks to our loyal clients, we have been growing and we needed more room.

What has happened to the original location?

We love Forest Lawn, and have for 40 years; that will always be the original Litwiniuk & Company office. We've renovated our International Avenue location and still serve clients there. But our new location at Britannia Crossing is our head office and administrative hub.

What is your new phone number?

That's easy. All of our phone and fax numbers have remained the same. You will be able to reach any of our team members on our main line at (403) 273-8580.

Which location do I go to for what?

Most meetings will be at our new Britannia Crossing office, but we're happy to meet with you at either location, or we can always come to you.

Where can I bring my walk-in business/notaries?

Walk-ins are always welcome; please feel free to come see us at either location. We will no longer be offering walk-in notary service at our International Avenue location, but we will at Britannia Crossing during our regular business hours. Notaries at International Avenue will be available by appointment.

What address should I send any correspondence to?

Please direct all correspondence to:
Litwiniuk & Company - Head Office
Suite 200, 5119 Elbow Dr SW Calgary AB T2V 1H2

I'm a vendor, which address and phone/fax number do I use?

Our phone and fax numbers have not changed. Please direct all correspondence to:
Suite 200, 5119 Elbow Dr SW Calgary AB T2V 1H2

I'm having trouble finding the new location, do you have a map?

[Yes we do, just click here.](#) We've also put a simple map showing our location and parking on this page, and you can "Google" us online using our address: Suite 200, 5119 Elbow Dr SW Calgary AB

Where should I park?

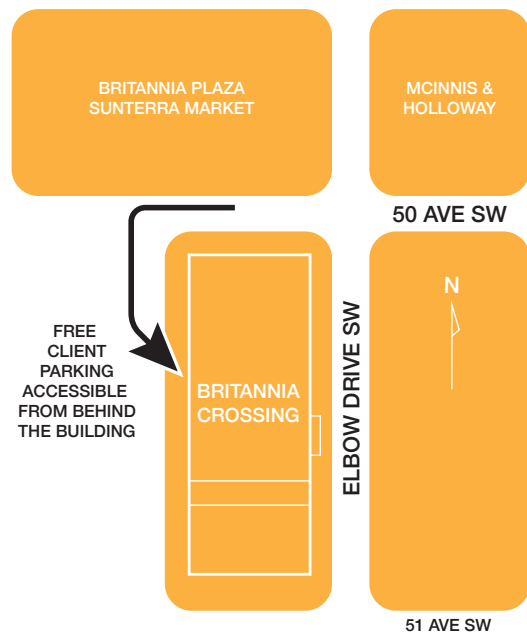

There is free heated underground parking for clients at Britannia Crossing. Access is from behind the building.

Is parking free?

Client parking is always free.

Are you opening more locations?

Not at this time, but please check our [website and blog](#) for regular updates.

We're taking the entire year to celebrate forty years of being part of Calgary's success story.
